

## **FISCAL NOTE**

### **SB 2874 - HB 2817**

February 17, 2008

**SUMMARY OF BILL:** Requires participation in the state building Energy Management Program by all state departments and agencies and all colleges and universities of the Tennessee Board of Regents and the University of Tennessee systems.

#### **ESTIMATED FISCAL IMPACT:**

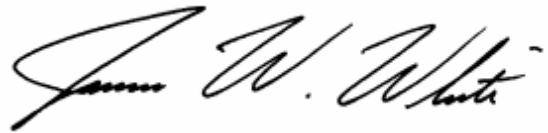

##### **Decrease State Expenditures – Net Impact - Not Significant**

##### Assumptions:

- All state departments, agencies, and educational institutions would be required to participate in an energy program.
- Currently, participation in the state's energy program is voluntary.
- The energy savings achieved statewide is expected to offset the cost of any increased workload or any additional personnel required to staff the program and could result in a positive savings over time.
